All of the above have been or are in the process of being covered contractually. The Contracting Officer has been requested to inform the two (2) contractors involved that the above equipment should be shipped to WRAMA or installed in FOC airplanes. If there are any changes, you will be advised accordingly.

Sincerely,

FOIAb3b

Dan:

Please accept this letter as a request to notify P&E and Hycon of the proper distribution of the various "C" equipments set forth above.
